Hon. Paul Feiner
Greenburgh Town Supervisor
Town of Greenburgh
177 Hillside Avenue
Greenburgh, NY 10607

Dear Paul:

I am happy to learn that you are running for reelection as Greenburgh Town Supervisor.

For the many years you have served you have been a stalwart in the fight to save our environment. You have recognized from the start the urgency of the problems of the abuse of our environment, and the fact that local protective actions are a necessary part of larger solutions. You have taken many positive steps and you have been a forceful voice in our effort. I commend you for it and I would urge your constituents to reelect you so that you may continue your efforts. They are badly needed.

Sincerely,

Robert F. Kennedy, Jr.
